

MASTERS[®]

SOLDERSNAKE

Hands Free Reflective Heat Shield

MASTERS[®] SOLDERSNAKE is a hands free tool designed to protect walls, studs, floors and other surfaces from flames, sparks and abrasions that could occur during soldering. It is designed to clamp to any nearby substrate and bend into position protecting what is behind it as well as reflecting heat forward.

MASTERS[®] SOLDERSNAKE has a concave reflective shield which provides:

- Protection of what is behind it
- Visibility of the back side of the joint
- Extra heat reflected back onto the joint
